

Where and when

You will be contacted by phone 2 days before surgery to get confirmtation of date and hour of admission.

Register at the reception of the new building with your ID.

What to bring

Administratif

- the brown envelope that you received at the consultation
- identity card
- SIS card and stickers from your health insurance fund or other insurance institution (Assurcard, DKV card)
- address and phone number of the person to whom we can turn during your stay

Have all forms (health insurance, hospitalisation insurance, certificates of all kinds ...) filled in at the secretariat of the Medical Center Latem, Kortrijksesteenweg 53, 9830 Sint-Martens-Latem and not in the hospital.

Medical

- 2 crutches
- the results of the preliminary studies
- possibly X-rays
- blood group card (if you own it)
- list of medicines you use, with time of intake and dose
- a reference to any allergies or diet to follow

Personal

- Toilet equipment (washcloths, towels, soap, toothbrush, toothpaste, comb, shaving)
- Sleeping attire, dressing gown, slippers
- Easy loose clothes eg short for men (the operated leg may swell slightly as a result of the procedure), flat running shoes
- Do not bring large sums of money or valuable objects. The hospital can not be held liable for any loss or theft.

Room choice

You have the following choice of room types:

- the double room
- the single room

The choice of rooms does not affect the quality of care. We ask for your understanding if, due to lack of space, we can not immediately give you the room you have requested.
The price of the room (the "Lay down price") is paid by the RIZIV.
The remunerations and additional hotel costs (the personal share) remain at the expense of the patient.
For stays in a single room a supplement is charged. The doctor's fees can be increased with this choice of room. In the admission department a list is available for inspection with the maximum fees for each doctor.
